NAGAKI

Web Strap Ratchet Hoists - Nagaki NGK

NGK web strap hoists feature insulated super-strength 32mm wide web straps, insulated Fibreglass handles and a special handle neck that will bend if the unit is overloaded to prevent damage to the puller and injury to the operator.

- Convertible series with 3 hooks
- Lightweight
- Insulated handle rotates 360°
- Controlled smoother release of load
- Made in Japan from Quality Japanese components

Favoured by line crews for its compact size and weight
