

Ratchet Cutters

ACSR Ratcheting Cable Cutter

TEN Part No: REL-9009

- Convenient single handed operation
- Full ratcheting cycle and release in all cutting positions
- Handle locks in closed position for storage and transportation
- Ergonomic rubber handle design to maximise cutting leverage

Breaking Blades?
Solution - ACSR Cutters

Small ACSR Ratcheting Cable Cutter

TEN Part No: 63607

- High-Leverage ratchet mechanism for single-handed cutting of copper and aluminium cables, leaving no burrs or sharp edges
- Patented two-step ratchet mechanism requires fewer strokes per cut
- Quick-release lever opens blades easily in every cutting position (Allows removal of the cable before completion of cut)
- Handle locks in closed position for storage and transportation

Part No	Cable Dimensions Max Diameter			Length OAL	Tool Weight
	Cu	Al	ACSR / St / Guy
