

Socket Adaptor

Impact Socket Adaptor 7/16" to 1/2"

Part No: TEN-716-12

- 7/16" hex shaft adapter for 1/2" square drive sockets
- Convert your 7/16" utility impact wrench to a 1/2" drive
- Designed for high torque Impact wrenches
- Superior wear resistance and durability for utility grade use
- Made from high strength, shock proof steel

Part No	Description
TEN-716-12	7/16" male to 1/2" male Impact Adaptor Socket

Longtube Sockets 1/2" Drive

- Suit high torque impact wrenches
- 24mm, 30mm, 32mm and 36mm
- 250mm long

Part No	Description
60529024	Sockets, tube, 24mm x 1/2" drive. 250mm
60529030	Sockets, tube, 30mm x 1/2" drive. 250mm
60529032	Sockets, tube, 32mm x 1/2" drive. 250mm
60529036	Sockets, tube, 36mm x 1/2" drive. 250mm

Quick Change Chuck 7/16" to 1/2"

Part No: 2403

- Super Heavy Duty 7/16" (1/2" Square Drive) Quick-Change Chuck
- Three ball bearing system to firmly secure you auger bits
- Designed to be used with high torque 1/2" square drive impact wrenches

Part No	Description
2403	7/16" to 1/2" female quick change chuck
