

Cable Lubricant

Polywater PR Lubricant Part No: Various

**Universal,
Pourable Underground Cable Pulling Lubricant**

Polywater® PR Power Cable Lubricant is a complex polymer liquid lubricant that provides excellent friction reduction. Perfect for installing cables from the transformer to the service entrance of businesses or homes.

Features

- **Field Friendly:** Packaging designed for the installer
- **High Shear Resistance:** Allows friction reduction even under high sidewall pressure in bends
- **Slow Drying:** The residue is a thin, slippery film that retains lubricity for months after use
- **Compatible with Common Cables:** Suitable for use on many cable jackets
- **Cold Weather Formula:** A Polywater PR version is available for use in cold weather pulling

Options Available

Part No	Description
PR-35	0.95 litre bottle
PR-128	3.8 litre container
PR-DRUM	208 litre Drum
