Klauke®

NEXT GENERATION

Battery Powered Hydraulic Cutting Tool - 105mm

Part No: ES 105 CFM

- Cuts copper and aluminium cables with lightweight steel armouring and fine stranded conductors*
- Extremely large cutting area
- Saves time with multiple cuts thanks to innovative opening mechanism
- All tool data can be viewed using on-tool display and i-press app

Features

- Makita battery system
- All data can be easily read via Bluetooth
- Simple and safe: One-button operating concept for controlling all tool functions
- Effortless working due to balanced centre of gravity
- 2-stage hydraulic system with fast feed and power stroke
- Safety: Automatic retraction after operation completed
- Manual retract stop (MRS) for efficient operation
- LED for work area illumination
- LED display for showing tool data
- Battery charge and service display

105mm dia. Cutting Area

Head Type	Cutter Open
Cutting Range	Max 105mm dia. dependent on cable type
Cutting Force	74kN
Cutting Time	dependent on cable type
Battery	Makita 18V 4.0Ah, Li-Ion
Ambient Temperature	-12°C up to +40°C
Weight inc. battery	9.6kg including battery

Cuts copper and aluminium cables with light steel armouring and fine stranded conductors*

Kit includes Makita 18V Charger and 2 x 18V 4.0A/hr batteries

*Dependent on cable type
