

Quality Tools, Equipment & Line Materials for the Energy Industry.

**Extends to  
4.4m**

**Retracts to  
940mm  
& fits under  
lip of EWP**

## Hastings Telescopic Operating Stick

**Part No. EX2-1848**

The original Tel-O-Pole® hot stick is designed for long reach, speed, convenience and safety. All sections are fabricated with reinforced electrical grade fibreglass for greater strength and high dielectric properties.

- 'No Twist' unique triangular design
- Triangular design enables each section to 'lock in automatically'
- Stick collapses below the lip of EWP bucket (940mm)
- Sections can be easily removed as required
- All sections easily replaceable - no tools required
- Fluoro green tip section is highly visible and has a foam core
- Ergonomic design gives operator better gripping surface for better control

Part No	Extended Length	Retracted Length	Weight
EX2-1848	4.4m	0.94m	3kg

**Triangular  
Profile  
= NO TWIST**
