

## iToolco Battery Capstan Winch Part No. CM3K

Speed, Versatility, and Performance are all yours with iToolco's Battery Capstan Winch. This portable 1360kg puller is intuitively designed to handle all of your day-to-day conductor pulls.

The built-in capstan switch automatically turns the puller on and off. Simply tug on the rope to start the pull and slack off the rope to shut it down. Delivers dynamic performance in remote locations or areas where power is not yet available. The high-capacity rechargeable Milwaukee battery is long-lasting and delivers maximum power.
