Order Information

Part No.	Description
ES20RMCCFM-0	Tool skin and case
ES20RMCCFM-K	Tool, 2 x 1.5A batteries, charger and case

Technical Data

Head Type	Open
Cutting Range (mm)	Max 20 dia.
Battery	Makita 18V 1.5Ah, Li-Ion*
Bluetooth Range (m)	20
Weight (kg)	2.30 including battery

Suitable for St, ACSR, Al & Cu conductors

Battery Cutter - 20mm

Part No. ES20CFM

- Extremely robust design and lightweight
- Slim cutting head - ideal when space is critical
- All tool data can be viewed using on-tool display and i-press app
- Suitable for ST, ACSR, AL and CU conductors

Features

- Makita battery system
- All data can be easily read via Bluetooth
- One-button controlling all tool functions
- Effortless working due to balanced centre of gravity

Technical Data

Cutting Force (kN)	15
Cutting Range (mm)	Max 20 dia.
Battery	Makita 18V 1.5Ah, Li-Ion*
Charging Time (min)	15
Weight (kg)	2.15 including battery

- Automatic retraction when operation is complete
- Battery charge and service display

Head Rotates

Ergonomic single push button operation

LED light for work area

Genuine Makita Li-Ion Battery
