

Ideal for Overhead & Underground Pulling

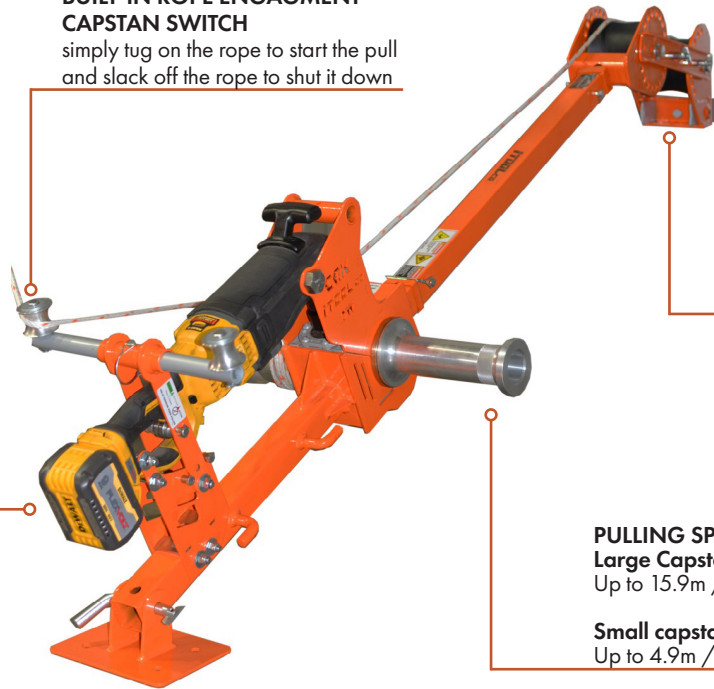

Battery Capstan Winch, 2727kg - iT00Lco

Ideal for Overhead, Underground & Side Pull Applications

Part No. CD6K

Speed, versatility, and performance are all yours with iT00Lco's Cordless Cannon 6K™. This portable 2727kg puller is intuitively designed to handle all of your day-to-day wire pulls. The built-in capstan switch automatically turns the puller on and off. Simply tug on the rope to start the pull and slack off the rope to shut it down. Delivers dynamic performance in remote locations or areas where power is not yet available.
