## Socket Set - 15 Piece - METRINCH

**Part No. MET-2450**

**Get More Use Out of Fewer Tools**

Metrinch means fewer tools and easier selection as each tool can be used for both metric and inch, plus damaged nuts and bolts. This eliminates switching back and forth from imperial to metric.

**Unique Patented Design**

The 4-point grip design enables Metrinch sockets and spanners to fit multiple sizes and damaged or rounded nuts.

**More Torque, Less Wear**

By exerting pressure through the walls, Metrinch grips more securely than conventional sockets.

**Quality**

All Metrinch tools are forged from high grade chrome vanadium steel for lifetime use.

**Included sizes in Socket Set. All sizes available individually**
