

Gloves, Sleeves & Accessories (Order Form)

ELECTRIFLEX™ GLOVES

Salisbury Electriflex™ rubber insulating gloves are available in a full range of sizes for the Australian market. To determine glove size, measure the circumference around the palm. Allow for additional room if fabric glove liners are to be worn, especially with thermal liners.

See next page for Sizing Part No's

Measure for glove size by measuring around the palm. Allow for liner gloves

Cotton Liners - Inners

Separate from gloves, glove liners may be regularly replaced, limiting the bacteriological problems associated with residual moisture due to perspiration

Long VG-10822

Short VG-13820

Straight Cuff

Bell Cuff

Contour Cuff

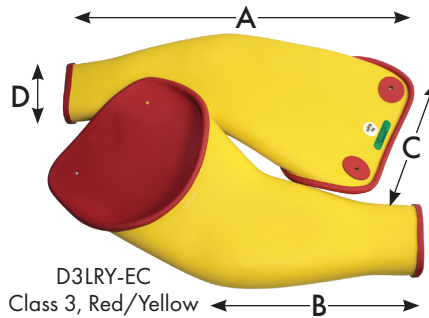

Goatskin Leather Outer Protectors for Class 3 & 4 HV Gloves

Next Generation Leather Protectors are manufactured from top grade cowhide and goatskin leather. Designed exclusively for the insulated Electriflex™ rubber gloves.
